From
Sri H. Narasimha,
Project Executive Officer,
South Kanara, MANGALORE.

To
The Additional Development
Commissioner, MADRAS.

Sir,

COMMUNITY PROJECT--South Kanara--
Loans and Advances--L.I.L. and A.L.
Act--Additional allotment--Requested.
-:o:-

REF: G.O.No.177, Public (RDP) Department, dated: 19-1-1955.
-:o:-

In the G.O. cited, a sum of Rs.50,000/- was allotted for grant of loans for ryots under L.I.L. and A.L. Acts. About Rs.40,000/- has been spent so far out of the above allotment. Applications involving about Rs.18,000/- are pending disposal with Assistant Project Officers and Project Executive Officer. The balance now available in the allotment is only Rs.10,000/- which is not sufficient to dispose of the applications already on hand. Many applications from the ryots for loans under this head are expected with the commencement of the Agricultural Season.

Overall requirements under this head for the remaining Community Project period over and above the allotment already made will be at least Rs.25,000/-.

This additional requirement can be met from the savings expected from the allotment of Rs.15 lakhs for Rural Electrification. The Community Project expenditure for the three schemes drawn up and submitted to the Government in Public Works Department by the Chief Operation Engineer (Electricity) Madras will be Rs.12.133 lakhs. The savings available under this head is Rs.2.867 lakhs from which a sum of Rs.50,000/- has already been recommended for diversion for grant of loans under Rural Housing (Vide My report Ref.C.No.2067/54-F dated 27-2-1956) Still there will be sufficient balance in the savings under Electricity to meet

P.T.O.

the additional allotment of Rs.25,000/- under L.I.L. and A.L. Acts.

I therefore request that the Government may be pleased to order the divertion now proposed so that the applications already pending may be disposed off expeditiously.

Yours faithfully,

Project Executive Officer 28/2
